Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PH/6, Head protection, upon which the following bodies were represented:

- Headway National Head Injuries Association
- Health and Safety Executive
- Institution of Mechanical Engineers
- Royal National Life-Boat Institution
- Safety Equipment Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Safety Industry Federation
- British Sports and Allied Industries Federation
- Consumer Policy Committee for BSI
- England and Wales Cricket Board
- Nottingham University
- SATRA Technology Centre

This British Standard, having been prepared under the direction of the Sector Board for Health and Environment, was published under the authority of the Standards Board and comes into effect on 15 November 1998

Foreword

This British Standard has been prepared by Technical Committee PH/6.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6, an inside back cover and a back cover.
