Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee MCE/6, Pumps and pump testing, upon which the following bodies were represented:

- Association of High Pressure Water Jetting Constructors
- British Chemical Engineering Contractors' Association
- British Hydromechanics Research Group
- British Pump Manufacturers' Association
- Electricity Association
- Energy Industries Council
- Engineering Equipment and Materials Users' Association
- National Engineering Laboratory

This British Standard, having been prepared under the direction of the Engineering Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 April 1999
