Foreword

Publishing information

This part of BS 8599 is published by BSI and came into effect on 30 June 2011. It was prepared by Technical Committee CH/100, *Healthcare and medical equipment*. A list of organizations represented on this committee can be obtained on request to its secretary.

Relationship with other publications

To ease the transition from the BHTA Guidelines to implementation of BS 8599-1 the guidelines are to continue to be available from www.bhta.net until 31 December 2011.

Presentational conventions

The provisions of this standard are presented in roman (i.e. upright) type. Its requirements are expressed in sentences in which the principal auxiliary verb is "shall".

Commentary, explanation and general informative material is presented in smaller italic type, and does not constitute a normative element.

Contractual and legal considerations

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
