Part 2: Performance

Co-operating organizations

The Personal Safety Equipment Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government department and scientific and industrial organizations:

Association of British Chemical Manufacturers	Institute of British Foundrymen
British Chemical Plant Manufacturers' Association	Institution of Civil Engineers
British Footwear Manufacturers' Federation	Institution of Engineering Inspection
British Iron and Steel Federation	Institution of Industrial Safety Officers
British Ironfounders' Association	Institution of Mechanical Engineers
British Occupational Hygiene Society	Institution of Production Engineers
British Red Cross Society*	Institution of Structural Engineers
Cement Markers' Federation	Iron and Steel Trades Confederation
Consumer Council	Medical Research Council
Cotton Board	Ministry of Labour (H.M. Factory Inspectorate)
Council of Ironfoundry Associations	National Federation of Building, Trades Operatives
Electricity Council, the Generating Board and the Area Boards in England and Wales	Paintmakers' Association of Great Britain
Federation of British Rubber and Allied Manufacturers	Royal Society for the Prevention of Accidents
Federation of Civil Engineering Contractors	Shoe and Allied Trades Research Association
Glass Manufacturers' Federation	Trades Union Congress
Industrial Safety (Personal Equipment) Manufacturers' Association*	United Kingdom Atomic Energy Authority

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

British Medical Association	Ministry of Public Building and Works
Grand Priory in the British Realm of the Venerable Order of the Hospital of St. John of Jerusalem	National Association of Ambulance Officers
Home Office	National Association of Hospital Supplies Officers
Institute of Hospital Administrators	National Association of Lift Makers
Ministry of Defence, Air Force Department	National Coal Board
Ministry of Defence, Army Department	Society of Motor Manufacturers and Traders Ltd.
Ministry of Defence, Navy Department	Individual firms
Ministry of Health	

This British Standard, having been approved by the Personal Safety Equipment Standards Committees, was published under the authority of the General Council on 26 November 1965
