Cooperating organizations

The Plastics Standards Committee and Rubber Standards Committee, under whose direction this British Standard was prepared, consist of representatives from the following Government departments and scientific and industrial organizations:

- British Association of Synthetic Rubber Manufacturers
- British Plastics Federation*
- British Resin Manufacturers' Association
- British Rubber Manufacturers' Association*
- Chemical Industries' Association*
- Department of Industry — Chemicals and Textiles
- Department of Industry — National Physical Laboratory
- Department of the Environment — Building Research Establishment
- Electrical and Electronic and Insulation Association (BEAMA)
- Electrical Installation Equipment Manufacturers' Association (BEAMA)
- Electrical Research Association
- Engineering Equipment Users' Association
- Institution of Production Engineers
- Medical Sterile Products Association
- Ministry of Defence*
- Plastics and Rubber Institute
- Post Office
- Royal Institute of British Architects
- Rubber and Plastics Research Association of Great Britain
- Rubber Growers' Association
- Society of Chemical Industry
- The Malaysian Rubber Producers' Research Association*
- The Society of Motor Manufacturers and Traders Limited*

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- Association of British Foam Laminators
