

Road vehicle unscreened low tension cables —

**Part 2: Specification for conductor sizes
and dimensions for thin walled
insulated cables**

UDC 621.315.21:629.11

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Automobile Standards Policy Committee (AUE/-) to Technical Committee AUE/16, upon which the following bodies were represented:

- Association of Trailer Manufacturers
- British Cable Makers' Confederation
- Department of Transport
- Institution of Electrical Engineers
- Motor Industry Research Association
- National Caravan Council
- Society of Motor Manufacturers and Traders
- Coopted members

This British Standard, having been prepared under the direction of the Automobile Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 March 1994
