Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee AUE/13, Commercial and public service vehicles, upon which the following bodies were represented:

- Confederation of Passenger Transport UK
- Department of Transport
- Institute of Road Transport Engineers (Inc)
- Road Haulage Association Ltd.
- Society of Motor Manufactures and Traders Ltd

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1995

© BSI 07-1999
