

Specification for

Copper-nickel-silicon alloy rods, sections, forging stock and forgings (heat treated)

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Aerospace Standards Policy Committee (ACE/-) to Technical Committee ACE/16, upon which the following bodies were represented:

- British Non-ferrous Metals Federation
- Copper Development Association
- Ministry of Defence
- Society of British Aerospace Companies Ltd.

This British Standard, having been prepared under the direction of the Aerospace Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 October 1991
