National foreword

This British Standard has been prepared under the direction of the Electronic Components Standards Committee. It is identical with CENELEC Electronic Components Committee (CECC) 50000 *“Harmonized system of quality assessment for electronic components. Generic specification : Discrete semiconductor devices, Supplement 1”* published in 1982 and is issued as Supplement No. 1 to BS CECC 50000:1981.

For general information on terminology, quality assessment procedures, measurement conditions and related documents reference should be made to the national foreword in BS CECC 50000.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
