Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee L/9, Electronic Components Policy Committee, upon which the following bodies were represented:

- Association of Franchised Distributors of Electronic Components
- British Standards Society
- British Telecommunications plc
- Department of Trade and Industry
- Federation of the Electronics Industry
- Ministry of Defence
- National Supervising Inspectorate (BSI PC)

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1996

National foreword

This British Standard has been prepared by Policy Committee L/9 and is the English language version of EN 100012:1995 *Basic specification: X-ray inspection of electronic components*, published by the Electronic Components Committee (CECC) of the European Committee for Electrotechnical Standardization (CENELEC).

BS EN 100012:1995 supersedes BS CECC 00012:1985 which is withdrawn.

Textual errors. When implementing the English language version of EN 100012 as the national standard, the textual errors listed below were discovered. They have been reported to CENELEC in a proposal to amend the text of the European Standard.

In clause 3, references to sections 5.8, 5.3, 5.4 and 5.2 should be read as references to clauses 4.8, 4.3, 4.4 and 4.2 respectively.

The title to clause 4.8, and its corresponding entry in the contents list, should read “Information concerning radiography”.

WARNING. Attention is drawn to clause 4.10 concerning compliance with national X-ray safety regulations.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 7 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
