

# Non-alloy steel rods for drawing and/or cold rolling —

## Part 4: Specific requirements for rod for special applications

The European Standard EN 10016-4:1994 has the status of a  
British Standard

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ISE/71, Steel rod for wire drawing, upon which the following bodies were represented:

- British Steel Industry
- British Steel Industry (Wire Section)
- Process Plant Association
- Welding Manufacturers' Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 September 1995
