National foreword

This British Standard has been prepared by Technical Committee ISE/12 and is the English language version of EN 10249-2:1995 *Cold formed sheet piling of non alloy steels — Part 2: Tolerances on shape and dimensions*, published by the European Committee for Standardization (CEN).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
