Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee IST/17, Identification cards and related devices, upon which the following bodies were represented:

- Ailec Associates
- APACS — Barclaycard
- APACS — Barclays Bank
- APACS — Girobank
- APACS — Lloyds Bank
- APACS — Midland Bank
- APACS — Nat West Bank
- Association for Payment Clearing System (APACS)
- BT Laboratories
- Cellnet
- Consumer Policy Committee of BSI
- Electricity Association
- GEC Card Technology
- HMSO
- Rochford Thompson Equipment
- Shell UK
- Thorn transit systems international
- Vodafone Ltd.
- Westinghouse Cubic Ltd.
- News Datacom Ltd.

This British Standard, having been prepared under the direction of the Information Systems Technology Assembly, was published under the authority of the Standards Board and comes into effect on 15 April 1996

National foreword

This British Standard has been prepared by Technical Committee IST/17 and is the English language version of EN 1038:1995, *Identification card systems — Telecommunication applications — Integrated circuit(s) card payphone*, published by the European Committee for Standardization (CEN).

This British Standard is published under the direction of the Information Systems Technology Assembly whose Technical Committee IST/17 has the responsibility to;

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

Descriptors: Telecommunications, IC cards, IC card payphone, characteristics, utilization, specifications

English version

Identification card systems — Telecommunication applications — Integrated circuit(s) card payphone

Systèmes de cartes d'identification —
Applications pour les télécommunications —
Publiphone à carte à circuit intégré

Identifikationskartensysteme —
Telekommunikationsanwendungen — Telefone
mit Bezahlfunktion mittels Chipkarten

This European Standard was approved by CEN on 1995-10-04. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
