Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/518, Structural timber, to Subcommittee B/525/5, Structural use of timber, upon which the following bodies were represented:

- British Woodworking Federation
- Department of the Environment (Building Research Establishment)
- Department of the Environment (Property and Buildings Directorate)
- Health and Safety Executive
- Institution of Civil Engineers
- Institution of Structural Engineers
- National House-Building Council
- Timber Research and Development Association
- Timber Trade Federation
- Coopted members

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 April 1996
