National foreword

This British Standard has been prepared by Subcommittee PVE/3/7, and is the English language version of EN 1089-2 : 1996 *Transportable gas cylinders — Gas cylinder identification (excluding LPG) — Part 2: Precautionary labels*, published by the European Committee for Standardization (CEN).

EN 1089-2 was produced as a result of international discussion in which the United Kingdom took part.

Cross-references

The Technical Committee has reviewed the provisions of ISO 448 : 1981 to which normative reference is made in the text, and has decided that it is acceptable for use in conjunction with this standard.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
