

Paper and board intended to come into contact with foodstuffs — Determination of the transfer of antimicrobial constituents

The European Standard EN 1104:2005 has the status of a
British Standard

ICS 67.250; 85.060

Confirmed July 2010

National foreword

This British Standard is the official English language version of EN 1104:2005. It supersedes BS EN 1104:1996 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee CW/47, Materials in contact with food, to Subcommittee CW/47/3, Paper and board in contact with food, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
