National foreword

This British Standard has been prepared under the direction of the Consumer Products and Services Sector Board and is the English language version of EN 1133 *Fruit and vegetable juices — Determination of formol number*, published by the European Committee for Standardization (CEN). EN 1133 was produced as a result of international discussions in which the United Kingdom took an active part.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
