National foreword

This British Standard has been prepared by Technical Committee CII/37 and is the English language version of EN 12049 : 1996 *Solid fertilizers and liming materials — Determination of moisture content — Gravimetric method by drying under reduced pressure*, published by the European Committee for Standardization (CEN). It supersedes BS 5551 : Subsection 4.4.1 : 1993, which is withdrawn.

EN 12049 was produced as a result of international discussion in which the United Kingdom took an active part. It was derived by CEN from ISO 8189 : 1992 published by the International Organization for Standardization (ISO).

Cross-reference
