

Thermal insulating products for building applications — Determination of long term water absorption by immersion

The European Standard EN 12087:1997, incorporating amendment A1:2006, has the status of a British Standard

ICS 91.100.99

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 12087:1997, incorporating amendment A1:2006.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A1** **A1**. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment A1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted by Technical Committee B/540, Energy performance of materials, components and buildings, to Subcommittee B/540/1, European Standards for thermal insulation.

A list of organizations represented on B/540/1 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 November 1997

Descriptors: Buildings, thermal insulation, thermal insulating materials, water absorption tests, immersion tests, test specimen, procedure, testing conditions, computation

English version

Thermal insulating products for building applications — Determination of long term water absorption by immersion

Produits isolants thermiques destinés aux applications du bâtiment — Détermination de l'absorption d'eau à long terme — Essai par immersion

Wärmedämmstoffe für das Bauwesen — Bestimmung der Wasseraufnahme bei langzeitigem Eintauchen

This European Standard was approved by CEN on 1997-04-26. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
