Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee EH/2, Air quality, to Subcommittee EH/2/2, Workplace atmospheres, upon which the following bodies were represented:

- Asbestos Information Centre Ltd.
- Asbestosis Research Council
- British Ceramic Research Ltd.
- Castings Development Centre
- Chemical Industries Association
- Council of Gas Detection and Environmental Monitoring
- Employers Association of Catering Equipment Engineers Ltd.
- Fibre Cement Manufacturers' Association Limited
- Health and Safety Executive
- Institute of Occupational Hygienists
- Institute of Occupational Health
- Institute of Occupational Medicine
- Laboratory of the Government Chemist
- London Transport
- Royal Society of Chemistry

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 October 1997

Workplace atmospheres — Pumps for personal sampling of chemical agents — Requirements and test methods

Air des lieux de travail — Pompes pour l'échantillonnage individuel des agents chimiques —
Exigences et méthodes d'essai

Arbeitsplatzatmosphäre — Pumpen für die personenbezogene Probenahme von chemischen Stoffen — Anforderungen und Prüfverfahren

This European Standard was approved by CEN on 1997-01-19. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard has been prepared by Technical Committee CEN/TC 137, Assessment of workplace exposure, the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by August 1997, and conflicting national standards shall be withdrawn at the latest by August 1997.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.
