National foreword

This British Standard has been prepared by Technical Committee CII/37 and is the English language version of EN 1237:1995 *Fertilizers — Determination of bulk density (tapped)* published by the European Committee for Standardization (CEN). It supersedes BS 5551-3.2:1993, which is now withdrawn.

It was derived by CEN from ISO 5311:1992 published by the International Organization for Standardization (ISO).

Cross reference

Publication referred to	Corresponding British Standard
ISO 3944:1992	BS EN 1236:1995 <i>Fertilizers — Determination of bulk density (loose)</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
