

Bitumen and bituminous binders — Determination of breaking behaviour

Part 2: Determination of fines mixing time of cationic bituminous emulsions

ICS 75.140; 91.100.50

National foreword

This British Standard is the UK implementation of EN 13075-2:2009. It supersedes BS EN 13075-2:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

BS 2000 Series

Energy Institute, under the brand of IP, publishes and sells all Parts of BS 2000, and all BS EN and BS ISO petroleum test methods that would be part of BS 2000, both in its annual publication “IP Standard Test Methods for analysis and testing of petroleum and related products, and British Standard 2000 Parts” and individually.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009

Amendments/corrigenda issued since publication

Date	Comments
31 October 2015	Implementation of CEN Correction Notice 06 May 2009: Annex A updated
31 December 2015	This corrigendum corrects the dual numbered standard identifier from BS 2000-497:2009 to BS 2000-495:2009

English Version

**Bitumen and bituminous binders - Determination of breaking
behaviour - Part 2: Determination of fines mixing time of cationic
bituminous emulsions**

Bitume et liants bitumineux - Détermination du
comportement à la rupture - Partie 2 : Détermination de la
durée de miscibilité des fines dans les émulsions
cationiques de bitume

Bitumen und bitumenhaltige Bindemittel - Bestimmung des
Brechverhaltens - Teil 2: Bestimmung der Mischzeit von
Feinanteilen in kationischen Bitumenemulsionen

This European Standard was approved by CEN on 10 February 2009.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
