Foreword	2
Text of EN 1313-1	3
National annex NA (informative) Sawn softwood normally available in the United Kingdom	8
Table NA.1 — Customary target cross-sectional sizes of sawn softwood	8
Table NA.2 — Customary lengths of sawn softwood	8
Table NA.3 — Softwood surfaced to CLS/ALS sizes	9
Table NA.4 — Maximum permitted reductions from target sizes of sawn softwood to finished size by planing of two opposed faces	9

National foreword

This British Standard has been prepared by Subcommittee B/543/2 and is the English language version of EN 1313 *Round and sawn timber — Permitted deviations and preferred sizes — Part 1: Softwood sawn timber* including amendment A1:1999, published by the European Committee for Standardization (CEN).

The sizes listed in national annex NA are (with one exception) those listed in BS 4471:1987, which is now withdrawn.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index” or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 9 and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.

Sidelining in this document indicates the most recent changes by amendment.

Rund- und Schnittholz — Zulässige
Abweichungen und Vorzugsmaße —
Teil 1: Nadel-schnittholz
(enthält Änderung A1:1999)

This European Standard was approved by CEN on 1996-12-27. Amendment A1 was approved by CEN on 1999-05-02. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
