

Adhesives for tiles — Determination of shear adhesion strength of dispersion adhesives

The European Standard EN 1324:2007 has the status of a
British Standard

ICS 83.180; 91.100.10

National foreword

This British Standard is the UK implementation of EN 1324:2007. It supersedes BS EN 1324:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/539, Ceramic tiles and other rigid tiling.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2007

English Version

Adhesives for tiles - Determination of shear adhesion strength of dispersion adhesives

Adhésifs pour carrelage - Détermination de l'adhérence par cisaillement d'un adhésif en dispersion

Mörtel und Klebstoffe für Fliesen und Platten - Bestimmung der Haftfestigkeit von Dispersionsklebstoffen

This European Standard was approved by CEN on 21 January 2007.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.
