National foreword

This British Standard has been prepared by Technical Committee DS/1 and is the English language version of EN 1325-1 : 1996 *Value management, value analysis, functional analysis vocabulary — Part 1 : Value analysis and functional analysis*, published by the European Committee for Standardization (CEN).

Technical Committee DS/1 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on interpretation, proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE. International and European Standards, as well as overseas standards are available from Customer Services, BSI, 389 Chiswick High Road, London, W4 4AL.
