

Rubber- or plastics-coated fabrics — Terminology

The European Standard EN 13360:2002 has the status of a British Standard

ICS 01.040.59; 59.080.40

National foreword

This British Standard is the official English language version of EN 13360:2002.

The UK participation in its preparation was entrusted to Technical Committee TCI/78, Coated fabrics, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
