

BSI Standards Publication

Flexible sheets for waterproofing - Waterproofing of concrete bridge decks and other concrete surfaces trafficable by vehicles - Specimen preparation

National foreword

This British Standard is the UK implementation of [EN 13375:2019](#). It supersedes [BS EN 13375:2004](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/546, Flexible sheets for waterproofing and water vapour control.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

Flexible sheets for waterproofing - Waterproofing of concrete bridge decks and other concrete surfaces trafficable by vehicles - Specimen preparation

Feuilles souples d'étanchéité - Etanchéité des ponts et autres surfaces en béton circulables par les véhicules - Préparation des éprouvettes

Abdichtungsbahnen - Abdichtung für Betonbrücken und andere Verkehrsflächen auf Beton - Probenvorbereitung

This European Standard was approved by CEN on 18 February 2019.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

European foreword

This document ([EN 13375:2019](#)) has been prepared by Technical Committee CEN/TC 254 “Flexible sheets for waterproofing”, the secretariat of which is held by NEN.

This document shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by October 2019, and conflicting national standards shall be withdrawn at the latest by October 2019.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN shall not be held responsible for identifying any or all such patent rights.

This document supersedes [EN 13375:2004](#).

EN 13375:2019 includes the following significant technical changes with respect to EN 13375:2004:

- Change of Foreword into European Foreword;
- Clause 2, Normative references has been updated with citation of Bituminous mixtures specifications EN13108-1, and -6 and -7; prEN17048 has been introduced;
- Clause 4, Table 1 has been updated with citation of EN numbers at each test method;
- Subclause 5.2 updated with the use of CEM I 52.5 N;
- Clause 6, Note 1 has been split into Note 1 and Note 2;
- Section 7.1.2, Mastic asphalt has been updated to EN13108-6 standard, and Grading (Figure 3) has been deleted;
- Section 7.1.3, now “Asphalt Concrete”, has been updated according to EN 13108-1 (previous title was “Coarse bituminous mixture”);
- Section 7.1.4 “Porous Asphalt” has been introduced as new section, according to EN13108-7.

According to the CEN-CENELEC Internal Regulations, the national standards organisations of the following countries are bound to implement this document: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom.
