

Explosives for civil uses — Propellants and rocket propellants —

Part 1: Requirements

The European Standard EN 13938-1:2004 has the status of a
British Standard

ICS 71.100.30

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 13938-1:2004 incorporating corrigendum May 2006. It supersedes BS EN 268:1991.

The UK participation in its preparation was entrusted to Technical Committee CII/61, Explosives for civil uses.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

Amendments issued since publication

Amd. No.	Date	Comments
16966 Corrigendum No. 1	30 April 2007	Addition of supersession details

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 4 November 2004

English version

Explosives for civil uses - Propellants and rocket propellants - Part 1: Requirements

Explosif à usage civil - Poudres propulsives et propergols
pour fusées - Partie 1 : Exigences

Explosivstoffe für zivile Zwecke - Treibladungspulver und
Raketentreibstoffe - Teil 1: Anforderungen

This European Standard was approved by CEN on 23 August 2004.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
