The European Standard EN 14139:2002 has the status of a
British Standard

ICS 11.040.70

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14139:2002, incorporating corrigendum August 2006. It supersedes BS 7394-1:1996 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee CH/172, Ophthalmic optics, to Subcommittee CH/172/3, Spectacles.

A list of organizations represented on CH/172/3 can be obtained on request to its secretary.

NOTE In Table 1, cm/m is the ISO fundamental unit abbreviation for prism dioptre.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Health and Environment Sector Policy and Strategy Committee, was published under the authority of the Standards Policy and Strategy Committee on 26 November 2002
