Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee TCI/66, Apparel, upon which the following bodies were represented:

- Association of Button Merchants
- Association of Suppliers to the British Clothing Industry
- British Measurement and Testing Association
- British Retail Consortium
- Camping and Outdoor Leisure Association
- Child Accident Prevention Trust
- Confederation of British Wool Textiles Limited
- Consumer Policy Committee of BSI
- Department of Trade and Industry
- Fabric Care Research Association Ltd.
- Home Office
- Knitting Industries Federation Ltd.
- Mail Order Traders' Association
- National Association of Teachers of Home Economics and Technology Ltd.
- National Children's Wear Association
- SATRA Footwear Technology Centre
- Society of Dyers and Colourists
- Textile Finishers' Association
- Zip Fastener Manufacturers' Association

The following body was also represented in the drafting of the standard, through subcommittees and panels:

Made-up Textiles Association

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 June 1997

National foreword

This British Standard has been prepared by Technical Committee TCI/66, and is the English language version of EN 1415 : 1996 *Touch-and-close fasteners — Behaviour of slit selvages*, published by the European Committee for Standardization (CEN).

It is one of a series of standards for touch-and-close fasteners. Other standards in the current series have the following titles:

BS EN 1414	<i>Touch-and-close fasteners — Cycling procedure for subsequent testing</i>
BS EN 1416	<i>Touch-and-close fasteners — Determination of curvature</i>
BS EN 12240 ¹⁾	<i>Touch-and-close fasteners — Determination of the overall widths of tapes and the effective width of a closure</i>
BS EN 12241 ¹⁾	<i>Touch-and-close fasteners — Method for closure prior to washing or dry cleaning</i>
BS EN 12242 ¹⁾	<i>Touch-and-close fasteners — Determination of peel strength</i>
BS EN 12243 ¹⁾	<i>Touch-and-close fasteners — Determination of dimensional stability to washing</i>

Cross-references

Publication referred to	Corresponding British Standard
EN 20139 : 1992	BS EN 20139 : 1992 <i>Textiles — Standard atmospheres for conditioning and testing</i>
EN 10002-2 : 1991	BS EN 10002 <i>Tensile testing of metallic materials</i> Part 2 : 1992 <i>Verification of the force measuring system of the tensile testing machine</i>

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 8, an inside back cover and a back cover.

¹⁾ In preparation.

ICS 61.040

Descriptors: Haberdashery, tapes, touch-and-close fasteners, tests, measurements, thread slip resistance

English version

Touch-and-close fasteners — Behaviour of slit selvedges

Fermetures auto-agrippantes — Tenue des
lisières découpées

Haftverschlüsse — Verhalten von Schnittkanten

This European Standard was approved by CEN on 1996-09-14. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
