

Tanks for transport of dangerous goods — Service equipment for tanks — Pressure and vacuum breather vent

The European Standard EN 14595:2005 has the status of a British Standard

ICS 13.300; 23.020.20

National foreword

This British Standard is the official English language version of EN 14595:2005.

The UK participation in its preparation was entrusted to Technical Committee AUE/18, Tanks for the transport of dangerous goods, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
