

Container shells for mobile waste containers with a capacity up to 1 700 l — Performance requirements and test methods

The European Standard EN 15132:2006 has the status of a
British Standard

ICS 13.030.40

National foreword

This British Standard is the UK implementation of EN 15132:2006.

The UK participation in its preparation was entrusted by Technical Committee B/508, Waste management, to Subcommittee B/508/1, Waste containers and associated lifting devices on refuse collection vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 September 2007

English Version

Container shells for mobile waste containers with a capacity up to 1 700 l - Performance requirements and test methods

Abris pour conteneurs roulants à déchets de capacité inférieure ou égale à 1 700 l - Exigences de performance et méthodes d'essais

Abfallbehälterschränke für fahrbare Abfallsammelbehälter mit einem Nennvolumen bis 1 700 l - Anforderungen an die Ausführung und Prüfverfahren

This European Standard was approved by CEN on 6 August 2006.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
