

BSI Standards Publication

Influence of metallic materials on water intended for human consumption — Dynamic rig test for assessment of metal release

Part 2: Test waters

National foreword

This British Standard is the UK implementation of EN 15664-2:2010.

The UK participation in its preparation was entrusted to Technical Committee EH/6, Effects of materials on water quality.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Influence of metallic materials on water intended for human
consumption - Dynamic rig test for assessment of metal release
- Part 2: Test waters**

Influence des matériaux métalliques sur l'eau destinée à la
consommation humaine - Banc d'essai dynamique pour
l'évaluation du relargage de métaux - Partie 2: Eaux d'essai

Einfluss metallischer Werkstoffe auf Wasser für den
menschlichen Gebrauch - Dynamischer Prüfstandversuch
für die Beurteilung der Abgabe von Metallen - Teil 2:
Prüfwässer

This European Standard was approved by CEN on 9 January 2010.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
