National Foreword

This British Standard has been prepared by Technical Committee IST/34 and is the English language version of EN 1572:1996 *Bar coding — Unique identifier for transport units* published by the European Committee for Standardization (CEN).

This British Standard is published under the direction of the DISC Board whose Technical Committee IST/34 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on interpretation, or proposal for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
