*raising standards worldwide*™

**National foreword**

This British Standard is the UK implementation of EN 15795:2010.

The UK participation in its preparation was entrusted to Technical Committee CII/59, Chemicals for drinking water treatment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Products used for treatment of water intended for human  
consumption - Natural unexpanded aluminosilicates**

Produits utilisés pour le traitement de l'eau destinée à la  
consommation humaine - Aluminosilicates naturels non  
expansés

Produkte zur Aufbereitung von Wasser für den  
menschlichen Gebrauch - Natürliche, nicht expandierte  
Aluminiumsilikate

This European Standard was approved by CEN on 7 August 2010.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

| 8.4 Marking .....                                                                      | 8  |
| 8.5 Storage.....                                                                       | 8  |
| Annex A (informative) General information on natural unexpanded aluminosilicates ..... | 9  |
| A.1 Origin .....                                                                       | 9  |
| A.2 Typical properties .....                                                           | 9  |
| A.3 Use .....                                                                          | 10 |
| A.4 Hydraulic characteristics .....                                                    | 11 |
| A.5 Rules for safe handling and use .....                                              | 11 |
| A.6 Emergency procedures .....                                                         | 11 |
| Bibliography .....                                                                     | 12 |

## Foreword

This document (EN 15795:2010) has been prepared by Technical Committee CEN/TC 164 "Water supply", the secretariat of which is held by AFNOR.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by March 2011, and conflicting national standards shall be withdrawn at the latest by March 2011.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN [and/or CENELEC] shall not be held responsible for identifying any or all such patent rights.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.
