Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CH/51, Prosthodontic and orthodontic materials, upon which the following bodies were represented:

- Association of Dental Hospitals of the United Kingdom
- British Ceramic Research Limited
- British Dental Association
- British Dental Trade Association
- British Institute of Surgical Technologists
- British Society for Restorative Dentistry
- British Society for the Study of Prosthetic Dentistry
- British Society of Periodontology
- Dental Laboratories Association Limited
- Dental Materials Panel
- Department of Health
- Gypsum Products Development Association
- Institute of Materials
- Institute of Physics
- Orthodontic Technicians' Association
- Royal Society of Medicine
- Society of University Dental Instructors

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1997
