

Dentistry — Medical devices for dentistry — Materials

The European Standard EN 1641:2004 has the status of a
British Standard

ICS 11.060.10

National foreword

This British Standard is the official English language version of EN 1641:2004. It supersedes BS EN 1641:1997 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee CH/106, Dentistry, to Subcommittee CH/106/2, Prosthodontic materials, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
