

BSI Standards Publication

Non-destructive testing - Thermographic testing - Active thermography

National foreword

This British Standard is the UK implementation of EN 17119:2018.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
