National foreword

This British Standard is the UK implementation of EN 1846-1:2011. It supersedes BS EN 1846-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FSH/17, Fire brigade equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

Firefighting and rescue service vehicles - Part 1: Nomenclature and designation

Véhicules des services de secours et de lutte contre l'incendie - Partie 1: Nomenclature et désignation

Feuerwehrfahrzeuge - Teil 1: Nomenklatur und Bezeichnung

This European Standard was approved by CEN on 17 March 2011.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This document (EN 1846-1:2011) has been prepared by Technical Committee CEN/TC 192 "Fire service equipment", the secretariat of which is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by October 2011, and conflicting national standards shall be withdrawn at the latest by October 2011.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN [and/or CENELEC] shall not be held responsible for identifying any or all such patent rights.

This document supersedes EN 1846-1:1998.

EN 1846 consists of the following parts, under the general title "Firefighting and rescue service vehicles":

- Part 1: Nomenclature and designation,
- Part 2: Common requirements — Safety and performance,
- Part 3: Permanently installed equipment — Safety and performance.

The significant changes with respect to the previous edition EN 1846-1:1998 are listed below:

- Clause 2, Normative references deleted (references moved to bibliography);
- Terms and Definitions:
 - new presentation with two groups: General definitions and specific definitions;
 - definition of "motor appliance" and "trailer": new wording and no more reference to ISO 3833;
 - addition of specific definitions which correspond to the previous 6.1 to 6.9 with editorial modification;
- Mass classes:
 - lower and upper limits changed;
- Categories:
 - addition of 3 notes to give explanations;
- Vehicle designation:
 - Table 1 replaced by a list with mandatory elements and optional additional elements;
 - Examples modified according to the new designation;
- Addition of a bibliography.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.
