National foreword

This British Standard has been prepared by Subcommittee FSH/2/13 and is the English language version of EN 1869 : 1997 *Fire blankets* published by the European Committee for Standardization (CEN).

EN 1869 was produced as a result of international discussion in which the United Kingdom took an active part.

EN 1869 : 1997 supersedes the requirements of BS 6575 : 1985 covering light-duty fire blankets. The scope of BS 6575 : 1985 is currently being revised to cover heavy-duty fire blankets only. On publication of the revised standard, BS 6575 : 1985 will be withdrawn.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
