Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/61, Inspection and testing requirements for aerospace metallic materials, upon which the following bodies were represented:

- Aluminium Federation
- British Investment Casting Trade Association
- Copper Development Association
- Light Metal Founders' Association
- Ministry of Defence
- National Physical Laboratory
- Society of British Aerospace Companies Limited
- UK Steel Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 June 1997
