Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Health Care Standards Policy Committee (HCC/-) to Technical Committee HCC/51, upon which the following bodies were represented:

- Association of Dental Hospitals of the United Kingdom
- British Ceramic Research Ltd.
- British Dental Association
- British Dental Trade Association
- British Institute of Surgical Technologists
- British Society for Restorative Dentistry
- British Society for the Study of Orthodontics
- British Society for the Study of Prosthetic Dentistry
- British Society of Periodontology
- Dental Laboratories Association Limited
- Dental Materials Panel
- Department of Health
- Gypsum Products Development Association
- Institute of Physics
- Ministry of Defence
- Orthodontic Technicians' Association
- Plastics and Rubber Institute
- Royal Society of Medicine
- Society of University Dental Instructors

This British Standard, having been prepared under the direction of the Health Care Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1992

National foreword

This Part of BS 4269 has been prepared under the direction of the Health Care Standards Policy Committee and is identical with ISO 4823:1992 *Dental elastomeric impression materials* prepared by Technical Committee 106, Dentistry, of the International Organization for Standardization (ISO) with the active participation of the UK.

In 1993, the European Committee for Standardization (CEN) accepted ISO 4823:1992 as European Standard EN 24823:1993. As a consequence of implementing the European Standard, this British Standard is renumbered as BS EN 24823 and any reference to BS 4269 should be read as a reference to BS EN 24823.

Cross-reference

International Standard	Corresponding British Standard
ISO 6873:1983	BS 7013:1989 <i>Specification for dental gypsum products</i> (Identical)

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 14, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

This European Standard was approved by CEN on 1993-12-20. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard has been taken over by Technical Committee CEN/TC 55 “Dentistry” from the work of ISO/TC 106 “Dentistry” of the International Organization for Standardization (ISO).

The text was submitted to the Unique Acceptance Procedure (UAP) and approved as a European Standard.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by June 1994, and conflicting national standards shall be withdrawn at the latest by June 1994.

In accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
