National foreword

This British Standard has been prepared by Technical Committee ACE/64 and is the English language version of EN 2489:1995 *Aerospace series — Fibre reinforced plastics — Determination of the action of test fluids*, published by the European Committee for Standardization (CEN).

EN 2489 was produced as a result of international discussions in which the United Kingdom took an active part.

Cross-reference

Publication referred to	Corresponding British Standard
EN 2744:1992	BS EN 2744 <i>Non-metallic materials. Preferred test temperatures</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
