National foreword

This British Standard has been prepared by Technical Committee ACE/6 and is the English language version of EN 2591-209:1996 *Aerospace series — Elements of electrical and optical connection — Test methods* Part 209: *Current temperature derating*, published by the European Committee for Standardization (CEN). It supersedes BS EN 2591-B9:1994 which is withdrawn.

BS EN 2591-209:1996 was produced as a result of international discussions in which the United Kingdom took an active part.
