National foreword

This British Standard has been prepared under the direction of the Personal Safety Equipment Standards Policy Committee and is the English language version of EN 29241-2:1993 *Ergonomic requirements for office work with visual display terminals (VDTs) — Part 2: Guidance on task requirements*, published by the European Committee for Standardization (CEN). It is identical with ISO 9241-2:1992, published by the International Organization for Standardization (ISO). EN 29241-2 was produced as a result of international discussions in which the United Kingdom took an active part.

BS EN 29241-2:1993 supersedes BS 7179-2:1990, which is withdrawn.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
