National foreword

This Part of BS 7589 has been prepared under the direction of the Health Care Standards Policy Committee and is identical with ISO 10139-1:1991 *Dentistry — Resilient lining materials for removable dentures — Part 1: Short-term materials* prepared within Technical Committee 106, Dentistry, of the International Organization for Standardization (ISO) with the active participation of the UK.

In 1994 the European Committee for Standardization (CEN) accepted ISO 10139-1:1991 as European Standard EN 30139-1:1994. As a consequence of implementing the European Standard this British Standard is renumbered as BS EN 30139-1 and any reference to BS 7589-1 should be read as a reference to BS EN 30139-1.

Cross-references

International Standard	Corresponding British Standard
	BS 4269 <i>Dental elastic impression material</i>
ISO 1563:1990	Part 2:1991 <i>Specification for alginate impression material</i> (Identical)
ISO 4823:1992	Part 1:1992 <i>Specification for elastomeric impression materials</i> (Identical)

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 8, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

(ISO 10139-1:1991)

Zahnheilkunde — Weichbleibende
Unterfütterungswerkstoffe für Prothesen —
Teil 1: Werkstoffe für kurzzeitige Anwendung
(ISO 10139-1:1991)

This European Standard was approved by CEN on 1994-05-12. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
