Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/44, upon which the following bodies were represented:

- Aluminium Finishing Association
- British Coatings Federation Ltd.
- Metal Finishing Association
- Ministry of Defence
- National Centre of Tribology
- Oil and Colour Chemists' Association
- Society of British Aerospace Companies Limited

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 December 1995

National foreword

This British Standard has been prepared by Technical Committee ACE/44 and is the English language version of EN 3212:1995 *Aerospace series — Paints and varnishes — Corrosion test by alternate immersion in a buffered sodium chloride solution*, published by the European Committee for Standardization (CEN).

EN 3212 was produced as a result of international discussion in which the United Kingdom took an active part.

Cross-references

Publication referred to	Corresponding British Standard
ISO 4628-1:1982	BS 3900 <i>Methods of test for paint.</i> Group H <i>Evaluation of paint and varnish defects</i> Part H1:1993 <i>Designation of intensity, quantity and size of common types of defect: general principles and rating schemes</i>
EN 2633:1993	BS EN 2633:1994 <i>Aluminium alloy AL-P2024-T3511 — Extruded bars and sections 1,2 mm ≤ a or D ≤ 150 mm with peripheral coarse grain control</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
