

Wood-based panels — Sampling, cutting and inspection —

Part 3: Inspection of an isolated lot of panels

The European Standard EN 326-3:2003 has the status of a
British Standard

ICS 79.060.01

National foreword

This British Standard is the official English language version of EN 326-3:2003. It supersedes BS EN 326-3:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/541, Wood based panels, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 10 May 2004

Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 11 and a back cover.

English version

Wood-based panels - Sampling, cutting and inspection - Part 3: Inspection of an isolated lot of panels

Panneaux à base de bois - Echantillonnage, découpe et
contrôle - Partie 3: Contrôle d'un lot isolé de panneaux

Holzwerkstoffe - Probenahme, Zuschnitt und Überwachung
- Teil 3: Abnahmeprüfung eines einzelnen Loses von
Platten

This European Standard was approved by CEN on 1 September 2003.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This document (EN 326-3:2003) has been prepared by Technical Committee CEN/TC 112 "Wood-based panels", the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by May 2004, and conflicting national standards shall be withdrawn at the latest by May 2004.

This standard is one of a series on sampling, cutting and inspection of wood-based panels. The other parts of this series are listed in clause 2.

This European Standard supersedes EN 326-3:1998. Compared to the version EN 326-3:1998 the following modifications have been made:

- a) The title has been changed to 'isolated' lot.
- b) Inspection lot sizes and sample sizes modified taking into account ISO 2859-2 for isolated lot inspection.
- c) Different sample sizes are given depending whether or not the production is controlled according to EN 326-2.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and the United Kingdom.
