National foreword

This British Standard has been prepared by Technical Committee ACE/12 and is the English language version of EN 3642:1996 *Aerospace series — Rivets, solid, 100° countersunk normal head with dome, in titanium TI-PO2, anodized, inch based series*, published by the European Committee for Standardization (CEN).

EN 3642:1996 was produced as a result of international discussions in which the United Kingdom took an active part.

Cross-references

Publication referred to	Corresponding British Standard
EN 2424:1995	BS EN 2424:1995 <i>Marking of aerospace products</i>
