National foreword

This British Standard is the official English language version of EN 40-1:1992.

The UK participation in its preparation was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/50, Lighting columns, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

UK application of EN 40

Information on the UK application of EN 40 can be found in PD 6547:2004, *Guidance on the use of BS EN 40-3-1 and BS EN 40-3-3*.

EN 40, *Lighting columns* consists of the following Parts:

- *Part 1: Definitions and terms;*
- *Part 2: General requirements and dimensions;*
- *Part 3-1: Design and verification — Specification for characteristic loads;*
- *Part 4-3: Design and verification — Verification by testing;*
- *Part 3-3: Design and verification — Verification by calculation;*
- *Part 4: Requirements for reinforced and prestressed concrete lighting columns;*
- *Part 5: Requirements for steel lighting columns;*
- *Part 6: Requirements for aluminium lighting columns;*
- *Part 7: Requirements for fibre reinforced polymer composite lighting columns.*

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 1 to 8, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

This European Standard was approved by CEN on 9 October 1991. CEN members are bound to comply with the requirements of the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards organizations of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
